ORDER

On April 24, 2020, the court adopted the United States Magistrate Judge's recommendation that this case be dismissed without prejudice and entered final judgment. See Opinion and Judgment (Doc. 9 & Doc. 10). On May 24, 2021, plaintiff filed a Motion to Re-Open Due to Constitutional Intentional Violation (Doc. 13).

Previously, the court denied a request by plaintiff to vacate the final judgment and allow this matter to proceed finding he failed to demonstrate any basis on which to grant the motion. See Order (Doc. 12). Upon review of the pending motion to re-open, the court again finds plaintiff fails to provide any reason which

shows he is entitled to have this case re-opened nor provided the court with any valid basis for doing so.

Accordingly, it is ORDERED that the motion to re-open (Doc. 13) is denied. Plaintiff may file a new § 1983 action if he wishes to pursue his claims against the named defendant or additional defendants.

This case remains closed.

DONE, this the 29th day of June, 2021.
